Over the approach of and the passing through the heavens of what astronomers called "Biela's" Great Comet.

Astronomers were badly fooled and the people sold. It was not a comet at all. It was Old Santa Claus, in his fiery, sky blue, spangled, cut on a bias Chariot, sweeping through space to THE BEE HIVE BAZAAR 502, 504, 506 and 508 Huron Avenue, in the great Tunnel City of Port Huron, where his headquarters will be during the Holiday Season.

He says, and truly too, that the BEE HIVE BAZAAR is the best place, the finest place and the cheapest place in Eastern Michigan to purchase and distribute
